YEC Contact List Registration Form

Please forward to individuals within your company if this does not apply to you

The Young Executive Council (YEC) is an Arkansas AGC council open to all mid-career professionals of AGC member firms. Its purpose is to provide a forum for mid-career professionals to take advantage of the numerous benefits that the Arkansas AGC has to offer. The YEC is led by a steering committee that plans and organizes YEC events. Each year, among other things, the YEC holds industry luncheon tours, hosts a sporting clays shoot for the AGC and it holds a year end social event. Bi-annually the YEC tours the Arkansas State Capital during a session of the General Assembly and it hosts a craftsperson appreciation event for the AGC.

For more information on the YEC contact Rob Hileman at 375-4436 or 1-800-880-4436.

_____ **Yes, I would like to be on the YEC contact list so that I am notified when YEC events are being held.**
